Mr. William Cockerham, Mr. Ffollott and Mr. Caulfield.

Thomas Warren's second wife, Elizabeth (Spencer) Shepard died before 1659 as Thomas Warren, Jr., eldest son of third wife, was born in that year. His third wife was Jane, widow of John King, who married thirdly, Samuel Plaw.

Thomas Warren made his will March 16, 1669 and same was probated April 21, 1670, by his son William. If the will was recorded in Surry the recording has been lost.

Children by First Wife.

- I. William, granted probate of his father's will April 21, 1670, was dead before 24 September, 1670, dsp.
- II. Alice, aged 32, in 1677 (Deposition) married Matthias MARRIOTT. This is proven by the following agreement dated September 24, 1670. (Bk. 1, p. 377)

"An agreement between Jane Warren, relict of Mr. Thomas Warren, deceased, late of Surry County, of the one part, and Matthias Marriott who hath married Alice Warren, the only sister by the whole blood of William Warren, deceased, son of the aforesaid Mr. Thomas Warren, of the other part, witnesseth: That said Jane Warren and Matthias Marriott are and have been at controversy and variance about the division of the aforesaid Thomas and William Warren, their estates: Now to the end that perpetual partition shall be had and made between said parties of and in the aforesaid Thomas and William, their estates, both personal and real, it is covenanted, concluded and agreed between the said parties to those presents in manner and form following: first that Mrs. Jane Warren shall have her thirds out of the whole estate of the above said Mr. Thomas Warren, his estate, and if Thomas Warren, son of the above said Mr. Thomas Warrin, and Jane, his wife, should happen to die before he comes to the age of 21 years, that the land which was given to him by his father's will is then to fall to William Warren, the youngest son of said Thomas Warren and Jane, his wife, during his natural life, and when he dies said land is to fall to Matthias Marriott and his heirs forever. It is also agreed that Thomas, a negro man, is and shall remain Matthias Marriott's and his heirs forever, said Matthias Marriott paying unto the above said Jane Warren the sum of 1667 lbs. of legal tobacco and casks out of his share of the estate and likewise it is further agreed between said parties that said Matthias Marriott shall have a white mare and her foal, one feather bed and furniture, one gold ring and one caster hat, all of

which were the estate of William Warren, and that the above said Matthias Marriott shall have a full share of with the children out of the abovesaid Thomas Warren, deceased, his estate, and that the manour house wherein said Thomas Warren did live and the whole devident of land whereon it is situated with all houses, orchards and other appurtenances thereunto belonging is and shall remain in fee simple unto Matthias Marriott and his heirs forever; it is further agreed betwixt said parties that said Jane Warren shall peaceably and quietly use, occupy and enjoy the one-third of the aforesaid manour house and of all other houses, orchards and the devident of land thereunto belonging with free egress and regress in and upon said land during her life, said Marriott to have him his share of the crop 2 bushels of wheat and 2 bushels of oats. In witness whereof the parties above specified have hereunto set heir hands and seals the day and year above written."

Mathias Marriott

In 1672 Mr. Marriot was fined for contempt of the county court as shown by the following order:

"Atte a courte houlden at Southwarke for the county of Surry the 4th day of September 1672... Mathias Marriott haveinge in Contempt of an order of this Courte, grounded upon an Act of Assembly for the restraint of of servaunts walking abroad on Sundayes or other dayes, gave his Negroe a note to goe abroad & having noe business; and alsoe renderinge scurrilous language to the Court both yesterday & todaye; the said Marriott is ordered to pay unto the sherifs for use of the county, Two Hundred Poundes of Tabacco & Caske with Costs..." (V. 7 -314).

On July 23, 1673, Mathias and Alice Marriot sold a tract of land "on which they now live" to JOHN SALWAY, "... same formerly in possession of Mr. THOMAS WARREN commonly called 'Smith's Fort' being 400 acres on Gray's Creek, adjacent WILLIAM MARRIOTT'S land lying on south side of James River". (R. B. 1671-84. p. 30.)

This was a deed to the present "Warren House" which became Mathias' under the above prenuptial agreement. It came to Alice upon the death of her brother William Warren in 1670.

In consideration for the above property, John Salway

and his wife Elizabeth deeded to Mathias Marriot a tract of land lying at the head of Grey's Creek "nigh unto the church". (Do. -31)

Alice Marriot made a deposition Sept. 15, 1677, in which she stated she was aged "32 or thereabouts".

Mathias Marriot's will was dated June 12, 1707 and probated Sept. 2, 1707. He gave his wife, ALICE, the manor plantation for her life, at her death to go to son WILLIAM. He mentions daughters MARGARET FLAKE, ELIZABETH HILL, MARION CHIPS, grandson THOMAS FLAKE, son of ROBERT FLAKE. (R.B. 1694-1708, p. 374).

WILLIAM MARRIOT was an only son and as he was named executor, he was therefore probably a minor when his father's will was written in 1707 but he proved a document under oath in 1710 and must have been of legal age at that time. It would appear that he was born about 1688.

William Marriot was married before November 16, 1725, as he was joined by his wife SARAH COLLIER in making a deed of that date. Their marriage and her identity are further evidenced by the will of her father THOMAS COLLIER, dated February 15, 1728 "... my Daughter SARAH MARRIOTT, wife of WILLIAM MARRIOTT ... my Granddaughter MARY MARRIOTT.... my Grandsons WILLIAM and THOMAS MARRIOTT.... their father.... my son-in-law WILLIAM MARRIOTT."

"Major William Marriot", who obviously was a kinsman and at various times was a member of the Surry Court, High Sheriff of the County, and Vestryman of Southwarke Parish had an only surviving child, Mary, married to Mr. Samuel Thompson who, in his will written in 1720, bequeathed to WILLIAM, son of MATHIAS MARRIOTT, "my seal ring that was my wife's father's ring."

In his will, dated September 20, 1765, and proved January 20, 1767, WILLIAM MARRIOTT did not mention his wife, who must have died before the will was written. The major part of his property, including land in Brunswick County Virginia, was left to his sons THOMAS and MATHIAS, and to JOHN and WILLIAM, sons of his deceased son BENJAMIN MARRIOTT. A bequest of land in Brunswick was made to WILLIAM MARRIOTT'S grandson, WILLIAM DAVIS, his son-in-law HENRY DAVIS was given negroes and other personal property; and there was provision for "the maintenance and education of my daughter MARY DAVIS' five Smallest Children". (1754-1768,

p. 436.) He also provided that STEPHENSON BUXTON and his wife ELIZABETH enjoy the dwelling "where they now live" until his grandson WILLIAM MARRIOTT was 18.

It is possible that Elizabeth Buxton was William Marriot's sister. Mary Marriot, only daughter of William Marriot, married Henry Davis. (See later.) Children of Thomas Warren by Second Wife, Mrs. Elizabeth (Spencer) Shepard.

III. Elizabeth, m. John Hunnicutt. The marriage contract between the two was dated Feb. 26, 1670/71. (D & W 1644-71. p. 38). John Hunnicutt also receipted Mathias Marriot for the estate of his wife, Elizabeth, daughter of Thomas Warren, decd. (do 389). John Hunnicutt died intestate in 1699. His inventory, signed by Elizabeth Hunnicutt, his wife, was dated April 17, 1699. The tithables for 1702 show the names of WILLIAM, JOHN, and THOMAS HUNNICUTT as tithables in her household and over 16, thus indicating them as sons. (For Hunnicutt see W)

Children by Third Wife, Jane

2. IV. Thomas, b. January 9, 1659, d. 1721. (See later)

3. V. Allen, b. 1663, d. 1738. (See later)

4. VI. Robert, b. 1667, d. 1721. On September 29, 1688, he made a deed to John Watkins of "100 acres of land, part of 450 acres granted my father, Mr. Thomas Warren, November 1, 1669, who did by his last will and testament give and bequeath same to me". (Bk. 4, p. 88.) He also on January 5, 1690, deeded Luke Meizele 350 acres - wife Anne relinquished dower. Administration of his estate was granted to Robert Warren, probably a son, May 15, 1728. (Bk. 7, p. 810.)

5. VIII. William, b. 1669/70, d. 1702. He receipted his brother Thomas for his share of father's estate, 15214 lbs. of tobacco, April 25, 1691.

Administration on his estate was granted to James Warren, probably his son, June 2, 1702. (Descendants untraced.)

2. Thomas Warren, Jr., was born January 9, 1659, which is proven by the following order dated June 4, 1680: "Thomas Warren, son of Thomas Warren, will be of age on the 9th day of this instant. Samuel Plaw is to deliver him his part of his father's estate on the 15th of this month". (O. B. 1671-90, p. 329.)

The Court also ordered Samuel Plaw to give him the shares of the three other orphans of Mr. Thomas Warren.

On April 20, 1684, Francis Lord Howard, Governor, granted Thomas Warren "280 acres of land situated about a mile and half above Ware Neck Mill in the Upper Parish of Surry County, 190

acres thereof being part of a patent of 290 acres granted his father Mr. Thomas Warren, died July 3, 1648, the remaining 90 acres being waste land." (Pat Bk. 7, p. 367.)

Thomas Warren's will was probated August 16, 1721. (Bk. 5, p. 362.) His wife was Elizabeth, who made her will in 1724; same probated 1730. She names the four sons named in her husband's will, and in addition - grandson Thomas Warren, granddaughter Mary Warren, grandson James Davis. (Bk. 8, p. 80.) Children, with land bequeathed by father:

I. William, "land where I live and between the two swamps and 80 acres after death of my wife." He and wife to be executor and executrix.

II. John, "land called 'Rich Neck' where he now lives".

III. Joseph, "land lying upon Peterfells and Buck Point, between Hog Pen Swamp and Wild Swamp, 90 acres."

IV. Robert, "land between Hull Cabins and Shee Cabins, 40 acres."

15. V. Elizabeth, m. Thomas Davis who died 1720. (See later.)

3. Allen Warren, born 1663, died 1738, receipted to his brother Thomas, May 31, 1684, for 5214 lbs. of tobacco "left me by my father". (Bk. 4, p. 212). On October 19, 1714, he deeds "Allen Warren, the younger" for 40 shillings, 130 acres of land on the Blackwater being part of a patent dated September 20, 1667. (Bk. 1209-15 p. 216.)

Allen Warren lived to about 81 years of age as proven by following documents. Deed dated and recorded April 19, 1738 from Allen Warren of Southwark Parish, Surry County, "for the natural love and affection I have and bear to my grandson, Allen Warren, I give him 70 acres of land in Lawnes Creek Parish being part of a patent granted my father Thomas Warren for 200 acres, dated September 1667, adjacent to 130 acres which I sold my son Allen out of same patent." (C. B. 1730-38, p. 867.)

He made his will March 15, 1737/38; same not probated until January 16, 1744. He mentions his wife, but does not name her and names his son, Benjamin, executor. (Will & Deed Bk. 1738-54, p. 488.)

Known Children:

4. I. Allen II (See later.)

II. Benjamin

4. Allen Warren II predeceased his father. He made his will "as of Lawnes Creek Parish", December 16, 1732. Same probated August 13, 1733. He gave his son Allen "all land I hold in this county and my trooper's arms." His wife, Anne, married John Little, who joined her in administering upon his estate in 1738. (Bk. 9, p. 47.)

His children were: Allen III, (see later #5); Robert, not 18;

Sarah; Elizabeth; Lucy; Mary.

5. Allen Warren III grew to old age in Surry. His will was dated February 9, 1780 and was probated March 28, 1780, as follows:

"Sick and weak but in perfect sense and memory xxx to son William Warren 120 acres where he now lives, also negroes; to son Arthur Warren 145 acres wherein he now lives; to son John Warren 80 acres, adjacent to Stephen Bells, William Edwards, and the land given to sons William and Arthur, etc., to son Jesse Warren land and plantation where I now live (after wife's decease) containing 180 acres, other three sons are to have liberty to cut cypress timber out of the swamp on said place, xxx, negroes to daughters, Martha White and Mary Murfee; a trunk to granddaughters Rebecca White. Executors: sons, William and Jesse. Teste: Wm. Hart, Eldred Edwards, Stephen Bell, Jr." (W. B. 1778-83, p. 123). Testators also gave by name a large number of slaves to his wife and each of his children.

His children were: William d. 1804 (see later #6); Arthur; John; Jesse, (see later #7); Martha, m. Mr. White; Mary, m. Mr. Murphee.

6. William Warren made his will May 3, 1804, and same was probated September 25, 1804, as follows: "In low state of health, to dau. Sally Bell £20; to dau. Polly Bell £20; to son James H. Warren plantations of 120 acres where he now lives; to son Samuel Warren 120 acres adjoining James H. Warren; to dau. Selah Judkins, negroes, to son Allen Warren tract of land of 140 acres called 'Caesars' joining Jesse Browne and Richard Carter; to son William Warren £200; to son Jesse Warren £200, to son John Phillips Warren, plantation where I now live. Wife, son James H. Warren and John H. Bell, executors. Teste: Drewery P. Warren, Micajah Bell, John Lane." (W. B. 1804-15, p. w.)

His children were: 1. Sally, m. John H. Bell; 2. Polly, m. James Bell; 3. James, m. Becky Lane; 4. Samuel; 5. Selah, m. Joseph Judkins; 6. Allen; 7. William Wilson; 8. Jesse, m. Martha P. Thompson (see later #8); 9. John Phillips.

9. William Allen Warren, born April 25, 1820, in Surry, died in Richmond, Virginia, July 2, 1914. He married February 2, 1854, Sarah Elizabeth Dashiell, born September 16, 1833, died at Bacon's Castle January 1901. Sarah Dashiell was the daughter of Sarah Hunnicutt (Davis) and James Dashiell.

Mr. Warren lived to be 94 years of age. During his long and useful life he acquired "Bacon's Castle" which the family still own. Mr. Warren gave this venerable mansion to his son, Charles W. Warren, who married Carrie A. Pegram, daughter of Major Blair Pegram. It is now owned by their son, Walker Pegram Warren of Smithfield, Virginia. Thus the Warrens, having built the Warren House, the oldest mansion in Surry, in the course of three centuries have moved only a few miles away to Bacon's Castle. the next oldest mansion.
